

2025 Pulpit Supply List

The Pulpit Supply List includes ministers and lay elders who have consented to preach when a regular pastor, interim minister, or temporary/stated supply pastor is away or unable to preach. The Committee on Ministry of Missouri Union Presbytery has approved all these individuals. A Session needing a qualified person to preach should contact someone on the pulpit supply list well in advance of the date needed. It is the Session's responsibility to make all arrangements for scheduling, supplies and order of worship for each service.

The list of **Presbyterian Pastors** is also useful for sessions needing a qualified Moderator to facilitate either a congregational or session meeting. (*Guidelines for Remuneration follows the list.*)
