

Presbyterian Women of Missouri Union Presbytery

Spring Get-Together

Saturday, April 23, 2022

Boone County History & Culture Center, 3801 Ponderosa Street, Columbia, MO

11:00 am - Noon

Put on your comfy outdoors clothes and join us for a casual get-together!

We'll be gathering for conversation and to just see one another again in a NON-Virtual space! The agenda is "light and airy": we'll share a few prayers and updates on Presbyterian Women activities, but most of our time will be for visiting, re-connecting and getting to know some new faces, far away from our computers or smart phones!

After (or before) our visiting, you are free to enjoy the museum exhibits and art displays (no admission charge) and walk around Nifong Memorial Park. If you like, you can bring picnic supplies or head off to a local restaurant for lunch with new and old friends! Plus, the Columbia Unbound Book Festival is scheduled for that weekend if you'd like to check out more activities.
