

Presbyterian Disaster Assistance is distributing to mid councils this gleaned list of resources. PDA has done the hunting and gathering so you do not have to spend time finding and vetting the information. PDA will update the report regularly. New information will be in **red**. Data on COVID-19 is changing by the day. If we have missed a link to pertinent and trusted information not covered by the list, please recommend it to David.Myers@PCUSA.org.

COVID-19 General and Comprehensive Information and Guidance

[CDC](#)

[White House, CDC, and HHS](#)

[World Health Organization](#)

[Presbyterian Church USA](#)

Regional and State Resources

Each state and territory have their own resources and restrictions.

Click [here](#) to see what your state is doing.

State Voluntary Organizations Active in Disaster will know of National VOAD groups (like PDA) and other groups providing resources in your state.

Click [here](#) to see VOAD activity your state is doing.

Mental Health Resources

The Mission Agency of PCUSA has put together a very helpful compendium of mental health resources [here](#).

The UN has developed a comprehensive support booklet for addressing mental health and psychosocial aspects of COVID-19.

Click [here](#) to access this resource.

Employment Information

Because COVID-19 is creating significant employment issues, click [here](#) for the latest word from Dept. of Labor and [here](#) for your state's unemployment program, which may be modifying its policies due to the pandemic.

[Debunk rumors here.](#)
